Purebred/Derivative Registration - Gelding (including DNA testing)	\$75.00	\$ 95.00
Handling fee for horses that have been DNA tested with Davis University.	\$5.00	

This application must include the following:-

- Photographs of the horse - leftside, rightside and face (with forelock pulled back). Please refer to photo requirements on the website for more information. Photos must be of good quality and able to be scanned, must not contain any other horse in the picture, must be at least 10cm x 10cm and may be emailed to the Registrar providing full details are included.
- The correct fees
- The DNA Form – if required
- Hair Sample – if requesting DNA
- Proof of Pedigree
 - Purebred Horses** – Imports include a copy of the ASPC Registration Certificate. Local horses provide copies of the ASPC Registration Certificate of both purebred parents.
 - Partbred Horses** – include a copy of the ASPC Registration Form of the purebred relative(s) and documented proof in the form of an official registration certificate with an approved Registry showing the pedigree of the horse back to the purebred relative. If the Registrar or Committee is not satisfied with the validity of the proof supplied DNA tests proving lineage back to the ASPC registered parent will be required.
 - All Horses** – include vet certificates and other supporting material in addition to the proof of pedigree documentation. DNA testing by Genome as part of the registration process will be used to parent verify the horse applying for registration so hair samples will be required from both Sire and Dam.

Make Cheques Payable to: ASANZ Inc.

All amounts are inclusive of GST – if you are registered for GST and require a Tax Invoice please retain a copy of this document for your records as it becomes a Tax Invoice when paid.
